

*Holiday Celebration
at the
Siena/Francis House*

The Holidays provide the Siena/Francis House family an opportunity to express our appreciation to the many donors and volunteers who have diligently and generously supported our mission. To share gratitude for the shelter, meals, and clothing provided. And to reflect on the respect, love and friendship experienced by the many guests who pass through our doors looking for assistance and acceptance.

Last year, the combined efforts of many individuals, schools, families, corporations, and organizations brought smiles, cheer, and Holiday gifts to 1,541 men, women and children during the Holiday Season.

Thank you for asking how you can be a part of our family's celebration.

- The gift idea list provides suggestions for each age group. We also offer the option of gift certificates to a variety of stores to give those hard-to-buy-for teens and adults the pleasure of a shopping trip. *Please email or call if you would like an update of the "most needed" items.*
- We ask that gifts be unwrapped so our guests can truly "shop" and make appropriate age and size selections.
- It would be very much appreciated if gifts could be delivered by December 14th to accommodate the dates of our gift-giveaways. *If possible, please call Kathy to be directed to the entrance near the gift sorting and storage area.*

For further information, please contact Kathy Gaines at 402-677-6376
or kathy@sienafrancis.org

*Thank you for your compassion,
love and generosity.
Happy Holidays from our house to yours!*
