

Christmas Celebration at the Siena/Francis House

We have much to be thankful for this year – our wonderful donors and volunteers have been so generous in supporting our mission. Those who come to us for shelter, meals and clothing have been greeted with kindness, respect, compassion and acceptance. The love and caring expressed by our donors and volunteers is such a tremendous blessing to us.

But, many of them would argue that they actually receive an even greater blessing. The simple act of reaching out to those less fortunate brings them such great joy and gratitude in their own lives.

It will take the combined effort of many individuals, organizations, schools, corporations, and families to bring smiles, cheer, and Christmas gifts to over 1,400 children, women and men during this Holiday Season. Thank you for asking how you can be a part of our family's celebration.

- The gift idea list provides suggestions for each age group. We also offer the option of gift certificates to a variety of stores to give those hard-to-buy-for teens and adults the pleasure of a shopping trip. *Please email or call if you would like an update of the "most needed" items.*
- We ask that gifts be unwrapped so our guests can truly "shop" and make appropriate age and size selections.
- It would be very much appreciated if gifts could be delivered by December 16th to accommodate the dates of our gift-giveaways.

For further information, please contact Kathy Gaines
